

Privacy Policy for POS App

This Privacy Policy explains how our POS App collects, uses, and protects your personal information. By using the application, you agree to the practices described in this policy.

1. Information We Collect

We may collect the following types of information: - Personal details (name, phone number, email). - Login credentials (such as PIN or user ID). - Device information (IP address, device type, operating system). - Transactional data (orders, payments, receipts). - Location information if enabled by the user.

2. How We Use Your Information

The collected information is used to: - Provide, maintain, and improve the POS App. - Authenticate users and manage accounts. - Process transactions and send receipts. - Notify users about updates, promotions, or support issues. - Ensure security and prevent unauthorized access.

3. Data Sharing and Disclosure

We do not sell your personal data. Information may be shared only in the following cases: - With service providers for technical support. - If required by law or legal processes. - To protect the safety and rights of users and the company.

4. Data Security

We apply appropriate technical and organizational measures to protect your data. However, no system is completely secure, and we cannot guarantee absolute protection.

5. User Rights

You have the right to: - Access, update, or delete your personal data. - Restrict or object to certain processing activities. - Request a copy of your stored data.

6. Retention Period

We will keep your personal data only as long as necessary for the purposes described, or as required by law.

7. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Updates will be reflected within the app.

8. Contact Us

If you have any questions about this Privacy Policy, please contact us at: Email: support@posapp.com Phone: +994 (00) 000-00-00
